## 2021-2022 Course Descriptions

### EARLY CHILDHOOD

The following classes cover two semesters. Each student is required to bring their own school supplies. A detailed supply list will be provided in each class syllabus from the teacher. Please note that all class fees are per student.

#### Pre-K Exploration and Discovery

##### Student Fee \$15.00

This class focuses on the principles of respect, responsibility, and community through exploration and discovery. The children learn in a loving and enriching environment. Children are encouraged to learn and play as their interests lead them as well as join in structured group activities. Group activities include crafts, art projects, music, movement, and story-time.

Children are welcomed into the classroom when their developmental growth enables them to participate safely with the group and the classroom. Children need to be either potty trained or wear pull ups/diapers during class. Though this is not a traditional preschool class setting, children will have plenty of opportunities to learn new skills as they develop into more independent learners.

#### Kindergarten

##### Student Fee \$20.00

4-year-olds that are mature enough for K level activities are welcome to join this class for one or more class periods.

##### 1<sup>st</sup> Period

**God's Creation from A to Z** - This class is for students that are Kindergarten ready. The class will explore the beauty of God's creation while learning about all things Kindergarten. Using the My Father's World Kindergarten curriculum as the spine of the class, students will enjoy literature and art activities.

##### 2<sup>nd</sup> and 3<sup>rd</sup> Periods

**Exploration and Discovery** – These class periods will build on themes from the 1<sup>st</sup> period class. Students will also spend time playing educational games and enjoying story-time, music, and gym time.
