BraveTree

2022 - 2023 Class Schedule

	<p>Community Hour 2:40 – 3:40</p> <p>This is an optional hour set aside for community building activities and clubs. Community hour helps to bridge the gap between regular class time and meaningful relationships. More clubs TBD.</p>
<p>The Maker's Space</p>	<p>This is a space provided every week for parents and kiddos to hang out while additional siblings are in clubs. Families have fun while they wait, building with Legos, blocks, playing board games and painting etc. If space allows, this club is also a place for our younger students, (9 and under) to come create and play with friends.</p> <p>A parent must be in attendance with their child/children to be in this club.</p>
<p>Board Game Club</p> <p>(10 and up)</p>	<p>This club meets every other Friday. Students spend time playing board games and participating in group activities.</p>
<p>Worship Club</p> <p>(10 and up)</p>	<p>Materials required: Instrument (if playing an instrument), folder (for lyrics and chord charts), pencil or pen.</p> <p>This club meets every Friday. The purpose of this club is to allow students an opportunity to worship the Lord through music with their voice or instrument while also improving their musical skills in a low stress, easygoing environment. Students will also have an opportunity to co-lead during worship at the beginning of each BraveTree day if they so desire (but co-leading <i>is not</i> required).</p> <p>Each week, students will sing/play 1-2 songs. We will learn a mix of contemporary Christian songs and traditional hymns. Practicing throughout the week will be key for students to enjoy this club. Singers will begin to learn harmonizing with other voices, and instrumentalists will learn beginning skills that allow them to accompany vocalists.</p>
